systematically moved to the place where they can do the least damage — management. Since 1989, Scott Adams has been illustrating this principle each day, lampooning the corporate world through Dilbert, his enormously popular comic strip. In Dilbert, the potato-shaped, abuse-absorbing hero of the strip, Adams has given voice to the millions of Americans buffeted by the many adversities of the workplace.

### **Dilbert Principle, The - HarperCollins**

The Dilbert principle is a 1990's theory by artist Scott Adams. The theory states that companies tend to systematically promote their least-competent employees to management positions . They do this to limit the damage they can do since they're more likely to make mistakes.

### **The Dilbert Principle: Why Companies Promote Incompetent ...**

The Dilbert Principle is a counterargument to The Peter Principle. It states that, generally speaking, incompetent workers will be promoted above competent workers to managerial positions, thus removing them from the actual work and minimizing the damage they can do.
