Professional Practice for Interior Design Flashcards | Quizlet

A professional designer adheres to principles of integrity that demonstrate respect for the profession, for colleagues, for clients, for audiences or consumers, and for society as a whole. These standards define the expectations of a professional designer and represent the distinction of an AIGA member in the practice of design.

AIGA Standards of professional practice

The state of Georgia first recognized the professional practice of interior design in 1992 with the passage of HB 43. As a result, business owners and other individuals in Georgia seeking qualified professionals to assist with their interior design projects have a greater ability to select the most qualified person for a particular project and one which provides the greatest value.
