The Psychology of Spirituality: An Introduction ...

Through case histories, in-depth analysis, and practical examples, The Psychology of Spirituality offers new ways of addressing these and other important questions. The Psychology of Spirituality demonstrates that life can, in fact, be good, happy, and fruitful, and that we human beings are, indeed, noble beings only if we knew.

The Psychology of Spirituality: From Divided Self to ...

The intersection of religion/spirituality, psychology, and mental health has been a tenuous one until recently. With the advent of postmodernism, the previously held boundaries that separated religion and science are being reconsidered. Larry Culliford's work "The Psychology of Spirituality: An Introduction" is just such a book to bridge the gap.
